OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE.

Notice No. Roc. 198—A *of* 25-26. *dated* 18*th September* 1925.

Sealed tenders will be received by the undersigned up to 12 noon on Monday the 19th October 1925, for the supply of miscellaneous store articles required for this department during 1925-26.

The approximate quantities and description of the articles required are given in the subjoined statement. Tenderers should tender on their own form or by letter, the envelops being superscribed "Tenders for the supply of miscellaneous articles for 1925-26."

Earnest money of Rs. 100 should accompany the tender, without which, the tenders will not be considered.

Tenderers should quote for delivery of the articles at the places noted in the statement.

The quantities given in the accompanying statement are only approximate and the actual quantities to be purchased during the year may be either more or less up to a limit of 25 per cent. If additional quantities than those mentioned in the schedule are actually required, the successful tenderer will be expected to supply such additional quantities at the rates accepted by the undersigned.

No claim for compensation on account of rise in prices due to whatsoever causes will be entertained during the contract period.

The successful tenderer should be prepared to supply to the indenting officers, to be intimated to him in due course, such quantities of the various articles as may be required by them from time to time, such indents being complied with within a week from their date of receipt.

Final acceptance of the tender will rest with the undersigned who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The undersigned reserves the right to select one or more items from any tender without reference to the other items on the same tender and the successful tenderers will be expected to supply the same at the rates quoted.

The name of the successful tenderer will be intimated in due course and he will be required to deposit, as security for the due fulfilment of the contract, a sum equal to 10 per cent of the value of the order and to execute an agreement within seven days from the date of acceptance of the tender.

The articles to be so supplied should be good and conform to samples furnished and will be liable to be rejected, if they do not conform to specifications.

The earnest money deposited with the tender will be forfeited to Government if the tenderer whose tender is accepted fails to execute the necessary agreement and to furnish the security abovementioned. The earnest money on rejected tenders will be returned.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract shall forthwith be cancelled and the security deposit forfeited to Government. Further, in the event of the successful tenderer failing to fulfil his contract within the specified time, the undersigned reserves the right to purchase against him in the open market at his risk and expense and claim damages :—

GOVERNMENT OF MYSORE STORES PURCHASE COMMITTEE, BANGALORE.

Notice No. S. P. C. 3391, dated 21st September 1925.

Sealed tenders will be received in the office of the undersigned up to 12 noon on Monday, the 12th October 1925, for the supply of Dungry cloths required for the use of the Mysore Railway Department. The approximate quantity and description of the articles required are given in the subjoined statement and tenders should be sent in the form of that statement duly noting in the column left blank, the rate at which the articles will be supplied. Tenders should be superscribed "Tender for the supply of Dungry cloth for the Mysore Railways."

2. Earnest money of Rs. 100 which should be only by means of cheques on Imperial or Mysore Banks, as well as samples should accompany the tender, without which, it will not be considered.

3. The rates given in the tender should include the cost of delivery of the articles free on rails at Mysore Railway Station and should hold good for at least 30 days from the date fixed for opening the tenders.

4. The quantities noted in the schedule are only estimates. The actual quantities to be purchased during the period of contract may be either more or less up to a limit of 20 per cent. If additional quantities than those mentioned in the schedule are actually required, the successful tenderer should be prepared to supply such additional quantities as may be indented for from time to time within two weeks from date of intimation. No claim for compensation on account of rise in prices due to whatsoever causes will be entertained during the period of contract.

5. Final acceptance of the tender will rest with the Stores Purchase Committee who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

6. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted in column 5 of the schedule and to execute an agreement for the due fulfilment of the contract for the supply required within eight days of the intimation of the acceptance of the tender. The earnest money will be forfeited to Government if the tenderer whose tender is accepted fails to execute the requisite agreement or to furnish the necessary security deposit or if the tenderer withdraws his tender before the acceptance or non-acceptance of the tender is intimated to him. The earnest money on rejected tenders will be returned.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled and the deposit forfeited to Government.

8. In case of dispute as to whether the supply of the articles is similar to that of sample accepted and as regards the performance of the contract, the decision of the Stores Purchase Committee shall be final and binding on the contractor.

9. Railway material certificates will be issued for carriage of stores from place of business of tenderers to Mysore to enable them to book the articles at concessional rates, the benefit of the difference between the public tariff and railway material concessional rates being given to Railway Department.
